

LITTLE SAINTS MONTESSORI SCHOOL, ILUPEJU

FIRST HALF TERM 2024 NEWSLETTER

We give all praise to our God Almighty for the First Half Term ending on Friday October 25th, 2024. Kindly take note of the following;

Mid-Term Break – Monday 28th October – Friday 1st November, 2024

Discipline

The school is determined to produce pupils who will not only be useful to themselves but also to the world at large, we enjoin our parents to support us in infusing the right values and virtues in our children especially in ensuring that simple rules and regulations are strictly adhered to. Violation of the school's ethics will not go unpunished. We strongly appeal to our parents to ensure that their ward(s) conform to the school's policy.

Books

We have been able to sort out the problem with the Inside Out Series and we want to appreciate you all for your patience and understanding during this trying period. We are poised to serve you better and more efficiently in the future.

Basketball

A basketball coach has been employed by the school to further add value to the sporting activities in the school.

The pupils have been so happy and are always ready to give their best on Wednesday when he comes around.

Swimming

We had to suspend swimming this term because of the weather. Where we swim, there is no refund of money when it rains and you are unable to go. You all will agree with me that the weather has not been favourable this term. Swimming will come back next term when the weather is favourable.
